

Environmental Management – Statement of Intent

It is the policy of Batt Cables Plc:

- a) Comply with applicable legal requirements and with other requirements to which Batt Cables Plc subscribes which relate to its environmental aspects.
- b) Achieve continual improvement and the prevention of pollution.
- c) Measure the business operations to provide the framework for setting and reviewing of environmental objectives and targets.
- d) Make economic use of energy, water and other materials to minimise waste in all aspects of the business function.
- e) Review regularly the environmental impact resulting from business operations and to remain fully informed of changes to legal and other requirements and recognised best practices.
- f) Communicate this policy to all interested parties including company customers, suppliers and employees and encourage their active involvement in environmental issues.

A handwritten signature in black ink, appearing to read "Philip Jones", enclosed within a hand-drawn oval.

Philip Jones
Managing Director
