

QUALITY POLICY

It is the policy of BATT CABLES plc:-

- (a) To offer our Customers a vast range of special and standard Electrical/Electronic Wires/Cables and Ancillary equipment of a standard enabling them to achieve and maintain the quality, reliability and performance that their own quality assurance policies dictate.
- (b) To convey to all employees the importance of quality and reliability and ensure that all employees are involved in and have a responsibility to maintain and operate our quality systems in accordance with our BS EN ISO 9002 (Stockists') approval.
- (c) To maintain a continuous programme of training, to ensure all employees attain the levels of service/workmanship required and to give the service required by our Quality Management System.

The foregoing shall be implemented and its effectiveness measured by the procedures contained in the quality manual.
