

## RG214 LSZH Cable

<b>BATT Part No:</b>	49195
<b>Applications:</b>	Coaxial cables are used in high frequency transmission, especially for transmitters and receivers, computers, radio and TV transmissions. To American Military spec MIL
<b>Conductor:</b>	7/.16mm (0.14sqmm) silver plated copper
<b>Insulation:</b>	Solid polyethylene
<b>Braid:</b>	2 x silver plated copper wire braid
<b>Sheath:</b>	LSZH
<b>Colour:</b>	Black
<b>Capacitance:</b>	100 pF/M
<b>Temperature Range:</b>	-30°C to 70°C
<b>Impedance:</b>	50 Ohm
<b>Attenuation 20°C:</b>	50MHz            4.9 dB/100m 400MHz          15.1 dB/100m 1000MHz        26.5 dB/100m 3000MHz        50.6 dB/100m 5200MHz        67.8 dB/100m
<b>Standards:</b>	Flame retardant to IEC 60332-3 Cat C Low smoke to IEC 60754-1 Halogen free
