

Shielded Audio & Instrumentation Cable 9302, 9327

BATT Part No:	91037
Applications:	Audio, communications, instrumentation
Conductor:	22awg (1/22awg – 0.64mm) solid tinned copper
Insulation:	Black and Red, Black and white PVC
Pair:	2 twisted pairs
Shield:	Overlapped aluminium polyester foil Coverage – 100%
Drain wire:	22awg stranded tinned copper
Sheath:	Grey PVC
Overall diameter:	6.19 +/- 0.20mm
Temperature range:	80°C
Voltage:	300V
Characteristics	
Nominal capacitance:	35.000 pF/ft
Nominal conductor DCR:	16.5 Ohm/1000ft
