

TR2029 Traffic Control Inductive Loop Detector Cable

Single core stranded tinned annealed copper conductors to IEC60228/ EPR insulation/ PCP black sheath

Conductor Construction:
30/0.5mm wires, class 5

Heat Resisting:
85 deg C

Standards:
BS6500
IEC60811

Size Sq. mm	Insulation thickness mm	Nominal thickness of sheath mm	Maximum overall diameter mm	Copper conductor resistance ohm	BATT part number
1.5	0.8	1.4	7.2	13.7	22449
