

## TR2029 Traffic Control Inductive Loop Detector

<b>BATT Part Number:</b>	22449
<b>Application:</b>	TR2029 motorway cable, highways agency approved cable National Motorway Communications System Specifications
<b>Conductor:</b>	Single core, stranded tinned annealed copper conductor, class 5
<b>Insulation:</b>	EPR (Ethylene Propylene) Rubber
<b>Sheath:</b>	PCP (Neoprene) sheathed
<b>Sheath colour:</b>	Black
<b>Conductor construction:</b>	1.5sqmm (30/0.25mm)
<b>Insulation thickness:</b>	0.8mm
<b>Nominal thickness of sheath mm:</b>	1.4mm
<b>Maximum Overall Diameter:</b>	7.2mm
<b>Max operating temperature:</b>	85°C
<b>DC resistance:</b>	At 20°C: 13.7 Ohms/km
<b>Standards:</b>	BS6500, IEC 60811
