

Two Pair Twin Shielded Cable 9855

BATT Part Number:	91051
Conductor:	22awg solid tinned annealed copper
Insulation:	Polyethylene
Core colours:	Red & blue, black & yellow
Pair:	2 pairs
Screen:	Overall aluminium mylar tape (100% coverage)
Braid:	Tinned copper wire braid (58% coverage)
Drain wire:	22awg solid tinned copper
Sheath:	PVC black nominal overall diameter 6.85mm \pm 0.3mm
Capacitance (cond/cond):	50.8 pF/mtr
Capacitance (cond/scrn):	90.2 pF/mtr
Conductor Resistance:	54.1 Ohm/km
Operating Temperature	: -20° C to +60°C
Impedance:	100 Ohms
